### Change Management/School Improvement Specialist

Greg has 32 years of teaching experience. He has held management positions at all levels and been part of three Senior Leadership Teams for 14 years. For 10 of these years he was the Curriculum Deputy in a large, challenging inner-city Secondary school. The management and teaching team successfully removed this school from Special Measures and Greg helped the school to make a successful transition to an Academy.

An active governor in a large inner-city Primary school, Greg has written Geography textbooks and had extensive experience as an examiner. Greg's expertise is in: strategic change management; mentoring, coaching and monitoring middle leaders; strategic curriculum planning; data management; the use of SIMs (AM7 and PPA7) to support learning; the project management of initiatives to raise standards of student achievement; school development planning; and, departmental self-evaluation.

He is available to work part-time or full-time immediately.

### Vocational Education Specialist

Dave is a senior manager in the 14-19 sector with good Vocational Education knowledge of Technology, Computing, Business and the Arts. He has extensive experience of programme development and working with under-performing academic teams who are resistant to change. Dave was an Edexcel verifier on the NQF framework level 1-7 programmes for 10 years; he is now an Edexcel quality inspector. His portfolio ranges from working with schools running First Certificates to providing full-time HND programmes at Universities.

With Vocational Education at all levels as his specialism, Dave has been a VGCE examiner and moderator for a number of years, including responsibility for instituting, managing, monitoring and amending internal quality/verification systems in large educational establishments. He has qualifications to degree level in Technology, IT, Management and Business.

Greg is available either full-time or part-time for periods of up to two months for most of the year but not during GCSE and CSE marking months.

### Community Cohesion Specialist

Mairi has been a Primary School teacher for 16 years. She also has experience as a senior manager in community education. Through providing support for schools in challenging circumstances she has gained expertise in helping schools to devise and implement meaningful and effective strategies to promote community links and cohesion.

Mairi's experience of devising programmes to address social inequality has enabled her to foster positive outcomes for government-linked initiatives including *Every Child Matters* and *The Extended Schools Programme*. Mairi has also provided in-service training for teachers and other professionals (this has included: *Working with Volunteers*, *Communicating with Parents* and *Becoming an Extended School*). She specialises in implementing innovative projects to support classroom learning which involves, for instance, working with volunteers, charities, museums and other institutions.

Mairi is currently available to work up to three days a week.
