Modern Languages Training Courses
Outstanding Learning and Progress in Languages

Going one step further to deliver lessons that your students and Ofsted will love in Languages

Teaching Outstanding lessons is an aspiration that all teachers share. This course will show you how to deliver Outstanding lessons, making them highly successful and engaging for your students. Along the way you will really get under the skin of what Ofsted deem Outstanding in Languages and hone your teaching skills in order to teach great lessons consistently.

Course Content

- Understand what it means for learning to be Outstanding in Languages according to Ofsted and how close you are to achieving it
- Develop pupil-centred strategies to ensure you can engage and build positive relationships with your learners so Outstanding learning can take place
- Explore ideas, resources, techniques, and models of excellent practice to support Outstanding learning and progress in Languages
- Robustly monitor your students’ achievement and set meaningful targets to maximise progress in Languages
