

- A song, to help with the loss of people from our lives.
- Thank you to **Sarah Hall** of the **Willow Sensory Service** [www.willowssensory.co.uk](http://www.willowssensory.co.uk) for sharing this idea. Which I have adapted.
- Please adapt this song to include people and situations that are relevant to the young people that you are working with.

**People come and people go (to the tune of Michael Row the Boat Ashore)**

People come and people go  
We might miss them  
People come and people go  
It is part of life

Rachel left for a new job  
We will miss her  
Rachel left for a new job  
We will miss her

People come and people go  
We might miss them  
People come and people go  
It is part of life

James is my new carer  
He is fun  
James is my new carer  
He is fun

People come and people go  
We might miss them  
People come and people go  
It is part of life

Granny died it's very sad  
She was so kind  
Granny died it's very sad  
She was so kind

Etc.
